

# **CNM USBC YOUTH 2010-2011 BOWLER OF THE YEAR TOURNAMENT**

---

**WHEN: April 2, 2011**  
**WHERE: Starlight Lanes**

To qualify a bowler must be a CNM USBC Youth Certified member and must have bowled 2/3 of the season within same center they are representing. **Each Bowling Center** will use the point system sheet on the back to determine and fill in the entry for each of the different age group's handicap and/or scratch for their *center*. Enter the Bantam, Prep, and Junior with the highest points within an age group and gender in the first column and the second highest point person in the second column. In the Majors division, the league supervisor/official selects which of the two bowlers with the highest points will bowl scratch or handicap. All seniors may participate and bowl scratch. If a qualified bowler cannot attend that day, send the next highest qualifier. In the event you only have one qualifier in an age group and gender, they are placed in the first column. The cutoff date for figuring points is March 14, 2011. **INDIVIDUAL AVERAGE SHEET(S)** as of this date **MUST ACCOMPANY ALL ENTRIES**. Entries must be provided to: **Association Manager, 125 Jackson NE, Albuquerque, NM 87108**. If there are any questions, please call Mary Johnson at **??-???** or Sharon Thompson 453-5272.
